

Dos and Don'ts Of Outside

Written by Darcie

The Don'ts.

Never sneeze on the trees.

Don't toss your shirt in the dirt.

Never dent the cement.

Never toss your socks on the rocks.

Never put glass on the grass.

Never put a scar on the tar.

Never complain about about rain.

Never toss cake into a lake.

Never be mean to all things green.

The Dos.

Always be nice to ice.

Care about air.

Be fond of a pond.

Be sweet to the heat.

Be good to the woods.

If you clean-up the litter everything will glitter.
